

El Segundo BREWING COMPANY

SMOOTH DEEP BLUES

ABV- 6.8% · Hops- Strata, Citra, Amarillo

The Ocean...a place of adventure and solitude. Whether patiently waiting for that perfect wave or resting out beyond the line-up soaking in peace and mother nature...you can take comfort in knowing that the smooth deep blues of the West Coast, the ocean and IPA, will always be there for you. Resting upon the shore sits a beer so fresh, so dank, and so indiscreetly loaded with Strata hops you may feel inclined to trade in the board for a beach chair and unwind in the California sunshine as you sip on the can in your hand.
