ABV- 11% · Hops- One hop varietal for every year we've brewed!

It's people like you, the one holding this beer, that makes it possible for us to celebrate another year of brewing! Greetings from El Segundo Anniversary Triple IPA is our postcard love letter to the town we call home and to the beer that keeps us going, the West Coast IPA. Please join us in raising a glass and saying "Cheers" to another year. And to you, we say thank you.
