

El Segundo BREWING COMPANY

ABV- 7.2% · Hops- An astronomic amount of Strata, plus a couple atmospheric ones

We've said it once before and we'll say it again... sometimes you fall in love with a hop so much that you have no choice but to name a beer after it. And what's not to love? Strata's like the person that made a big entrance at the party and now everyone wants to hang out with them. And now's your chance to hangout with our new favorite hop. So pour this beauty into your favorite glass and spend some time getting to know all that we love about Strata. Cheers!
