If you think the tankers offshore are just unloading crude, you oughta take a closer look, because the ship known as "Humulus Lupulus" is carrying a treasure trove of hops! Rich with gems such as Nelson, Citra and Simcoe, it only comes to port to brew a beer as big and as dank as the ship itself. Paired perfectly with a soothing sunset after a long days' work, you'll have a new respect for the old adage: "a double IPA at night, is a sailor's delight."
