Inspiration Hop Harvest IPA · ABV- 7.2%  
Hops: Loza Farms Citra, Chinook, Amarillo, Simcoe

This year's Inspiration took us to Loza Farms, where Junior hand-selected two bales of Citra hops for us. The crew at Single Hill Brewing gave us a huge assist, getting these "Fresh AF" hops processed and packaged on the spot; we did our part by getting them into our kettles as quickly as possible. Enjoy your first tastes of the 2023 Citra crop, we hope you're as excited as we are!
