ABV- 7.2% • Notes- Stone Fruit. Citrus. Berry.  
Hops- HBC 638 / Krush / Citra

hops from  **PERRAULT FARMS**

When the good folks at Perrault Farms and Yakima Chief Hops invited me up to sample their hops during their annual harvest, it inspired me to make a new IPA for ya. The hops in this beer were selected by yours truly. I hope you enjoy this beer as much as I do. Cheers!
